<b>Total</b>				<b>203</b>

\*Students who want to do a Double Major in Law, Engineering, and Architecture programs where a success rating is required must meet the success rating requirement set by the Higher Education Council for the related program in the year they register.

- *Whether if International Students meet the success rating requirement or not is evaluated along with the International Office and the relevant Faculty within the scope of "Regulations for the Acceptance of Foreign Students into undergraduate Programs".*

\*\*Students who study in the Theater Department and want to apply for a Double Major in another department are expected to meet the base score of our University in the score type of the relevant department and the success ranking requirement determined by the Council of Higher Education.

\*\*\*There is no quota limitation for Minor Programs.
