INDUSTRIAL DESIGN DOUBLE MAJOR PROGRAM FIELD AND FREE ELECTIVE COURSES					
Total 31 ECTS IND Field Elective	31	Among the Free Elective courses taken and succeeded in the major program, courses coded IND and that are not compulsory in the Department of Industrial Design Can be adapted to the Department of Industrial Design Double Major Program as Field Elective courses. However, if the courses to be adapted as Field Elective to the Industrial Design Department Double Major Program are not <b>31 akts</b> in total, they must be completed.			
Total 25 ECTS Free Elective		Field Elective courses (courses that are not IND coded and courses that are not compulsory and field elective in the Department of Industrial Design) taken and succeeded in the major program can be adapted as Free Elective courses in the Department of Industrial Design Double Major Program. However, if the courses to be adapted to the Department of Industrial Design Double Major Program as Free Elective courses are not <b>25 akts</b> in total, they must be completed.			
TOTAL 240 ECT:					

If the 240 ECTS that must be completed for graduation in undergraduate programs is incomplete, the necessary ECTS for graduation will be completed by taking elective course(s) that have not been taken before.
