Bologna, Course Registration Process and SPARKS User Guide

COURSE PLANS / BOLOGNA WEB PAGE

Curriculum Information:

- At the Kadir Has University **Bologna** screen, the curricula of undergraduate programs for each academic year (e.g., 2023-2024 or 2024-2025) are available.
- <u>f Bologna Link</u> = <u>https://bologna.khas.edu.tr/lisans</u>

Curriculum Tracking:

• Each student is <u>responsible for</u> following the curriculum of their department from the year they started university.

Course Adaptation Status:

- If a compulsory course has been removed and a new course has been assigned in its place, the student is required to take the **adapted** course.
- Adaptation Course List Link = https://www.khas.edu.tr/en/adaptation-course-list/

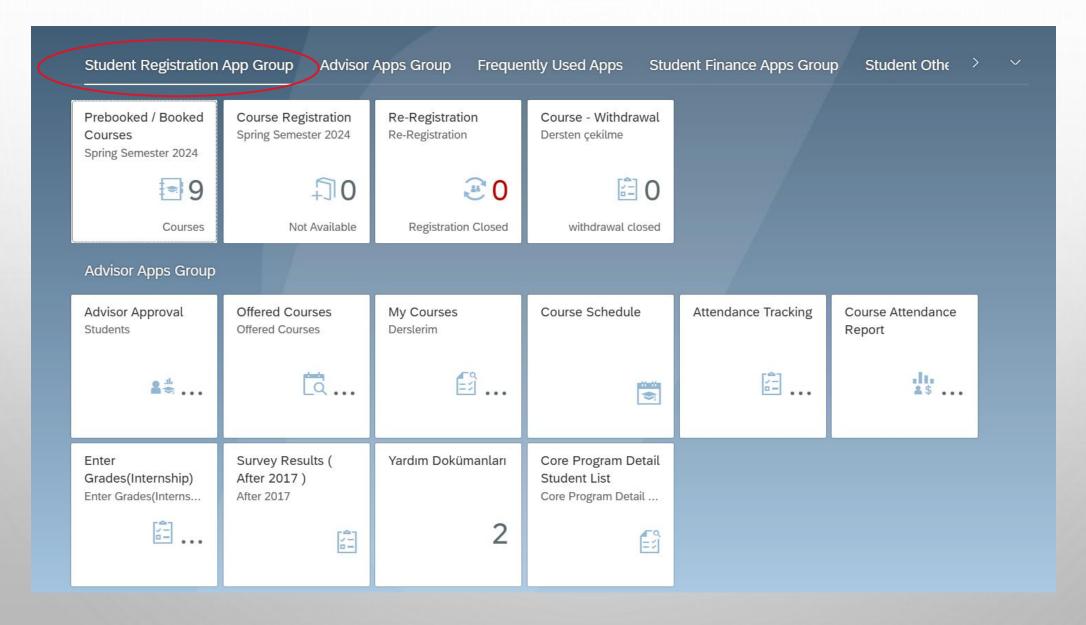

1) Field Elective Course

2) Free Elective Course

- A +4 ECTS credit limit is applied to all elective course pools.
- In the elective course pool, if a student has a failed course (FF/K), they must perform a "substitution" process to complete their elective course pool credits.
- As of the 2024-2025 academic year, the "Core Elective" and "Free Elective" course pools have been merged. With this change, students are provided with an interface to choose which type of elective course they wish to take.

STUDENT REGISTRATION APPLICATIONS

REGISTRATION RENEWAL

Students within the standard period of study;

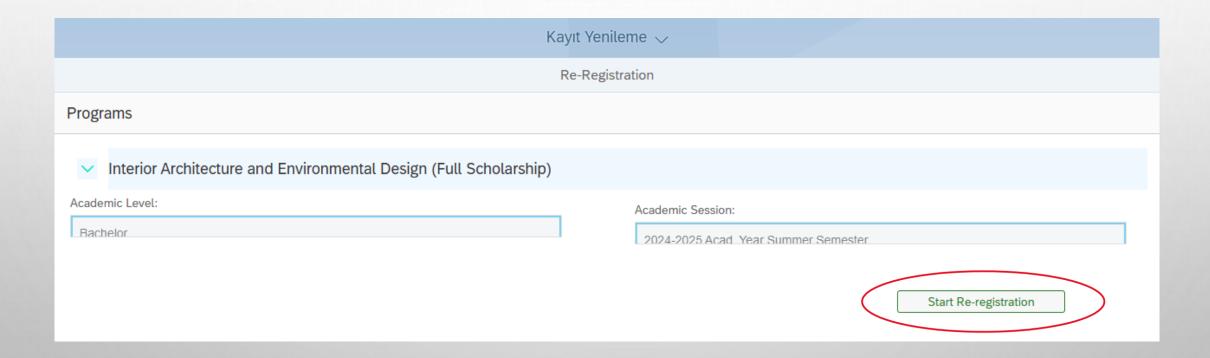

After completing the registration renewal process and fulfilling their financial obligations, they can proceed with course registration.

Students beyond the standard period of study;

They first select their courses; then, tuition fees are calculated based on the selected courses by the Student Financials Office.

REGISTRATION RENEWAL

- After logging into the system, click on the 'Registration Renewal' box to open the registration renewal page.
- Once the page is open, click the 'Start Registration Renewal' button to begin the renewal process.

REGISTRATION RENEWAL

- When the registration renewal process begins, information related to the enrolled semester and the relevant regulations will be displayed at the bottom of the screen as shown below.
- After completing the registration renewal, you can proceed to the course registration screen by clicking the 'Select Courses Now' button.

Renewal process of your registration has started. When your payment and course selections are completed, your registration renewal process will be completed. In accordance with the 22nd article x of Kadir Has University Regulation Governing Undergraduate Education and Training, the semester you are in has been determined as YZ.

ARTICLE 22

- (1) The identification of the semester and year which a student attends is based on the credit load achieved by the student.
- (2) In order for a student to be considered a student of the next semester's student, they are required to achieve at least 6 KHAS credits or 12 ECTS credits minus the cumulative total of the credit loads of the semesters within the scope of the education schedule, starting from the first semester including the semester, which the student attends.

Register For Courses Now

Within the framework of curriculum changes, it is particularly important that our students in upper years pay close attention to the status of courses that have been adapted during their course registration.

Before starting the course registration:

Curriculum tracking should be done through the Graduation Simulation,

The Adaptation Course List should be checked in detail.

For students who are at the graduation stage:

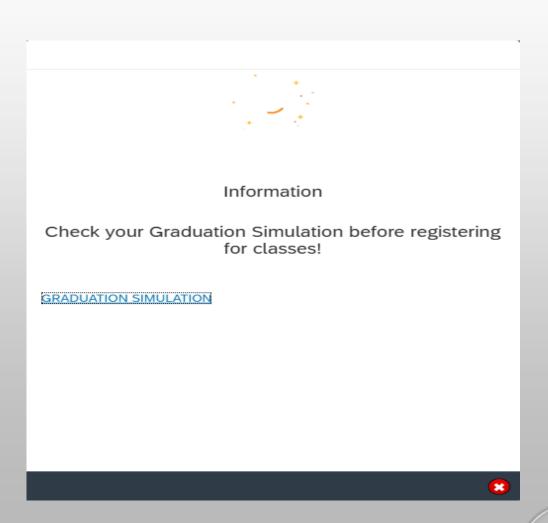

They must have completed all their compulsory courses,

They must have successfully completed at least 240 ECTS credits in full.

Elective courses that can be taken can be viewed under the 'Recommended Courses' tab in the graduation simulation.

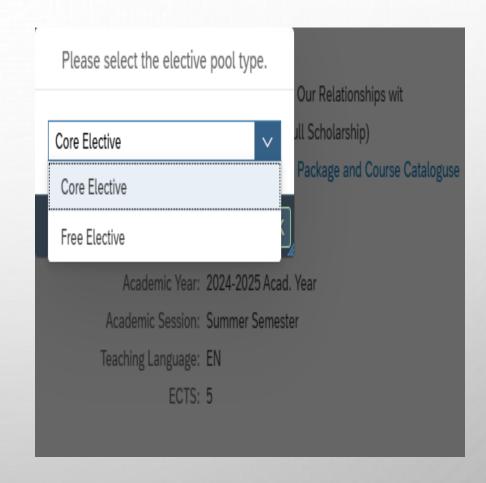

SPARKS – COURSE REGISTRATION SCREEN NOTIFICATIONS

Students are advised to check their **Graduation Simulation**.

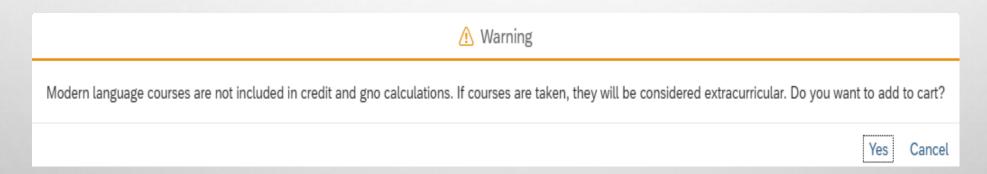

SPARKS – COURSE REGISTRATION SCREEN NOTIFICATIONS

Students are provided with an **interface** to select the type of elective course they want to take.

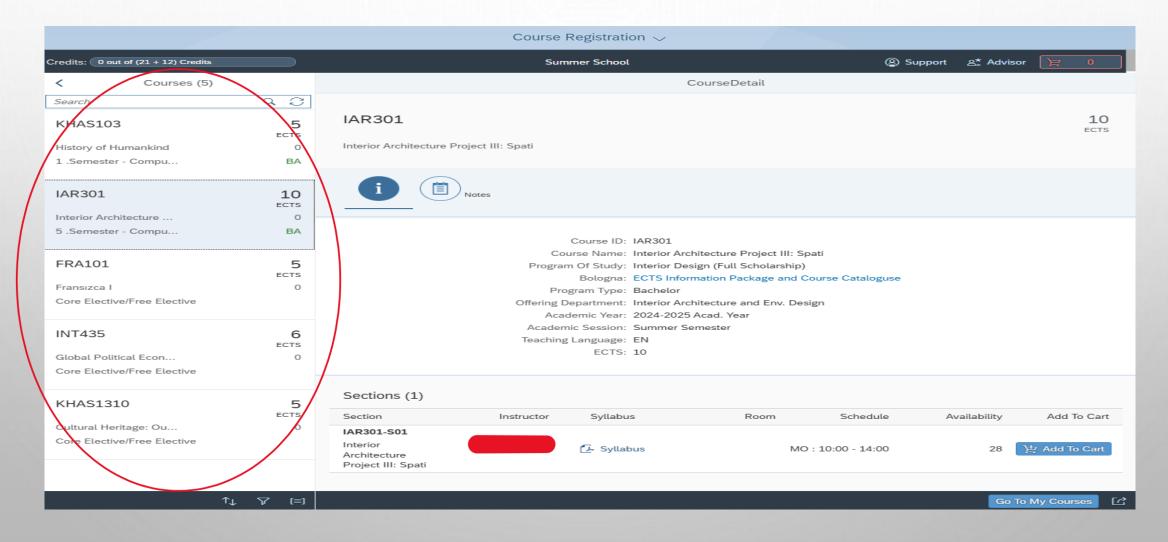

SPARKS – COURSE REGISTRATION SCREEN NOTIFICATIONS

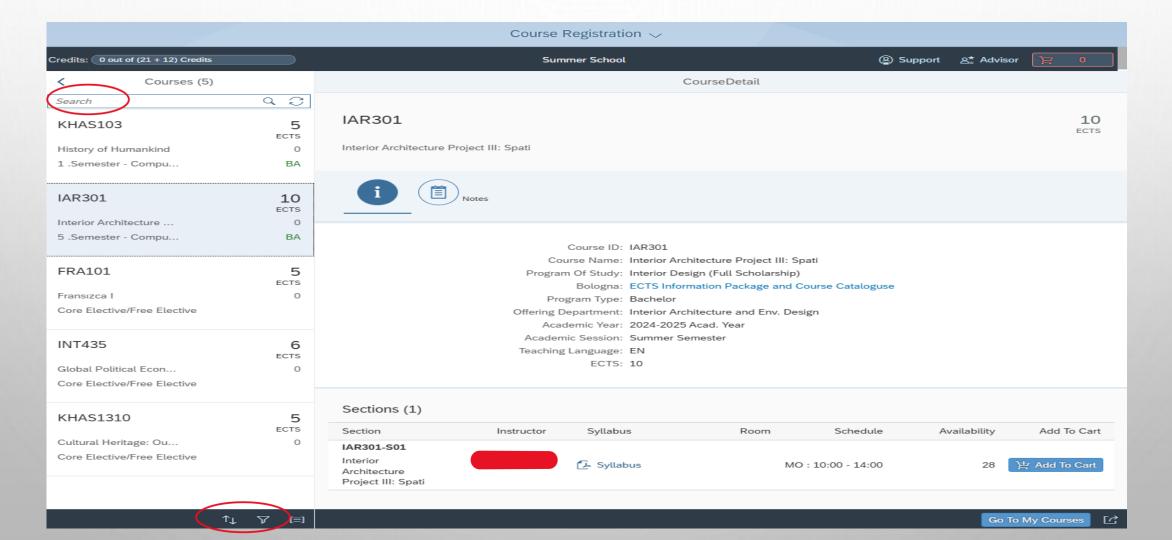

• For students selecting **Modern Language courses**, it is indicated on the screen that these courses will not be included in the credit and GPA calculation.

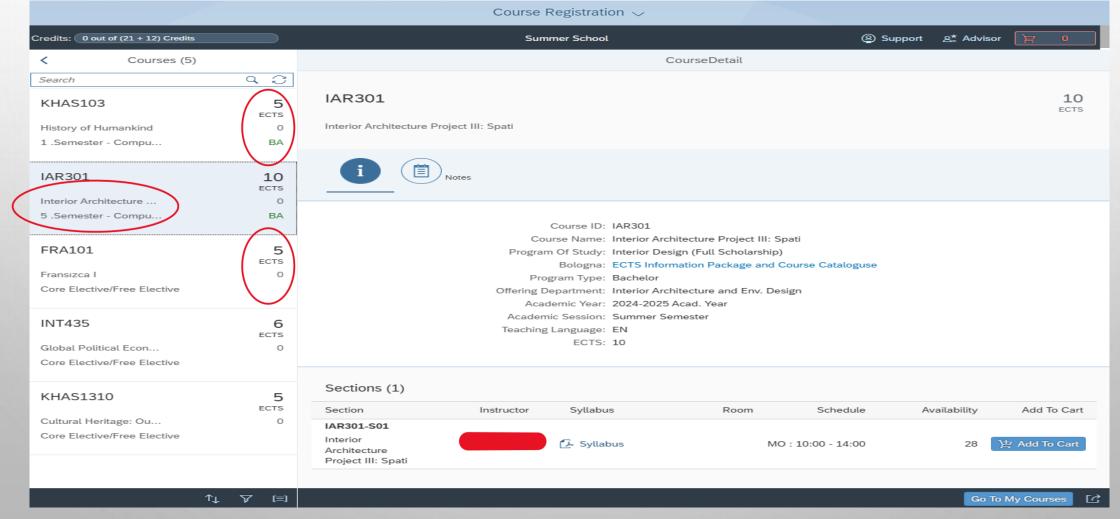

• After entering the course registration screen, the courses defined according to the curricula and offered in the relevant academic year and semester will be listed on the left side.

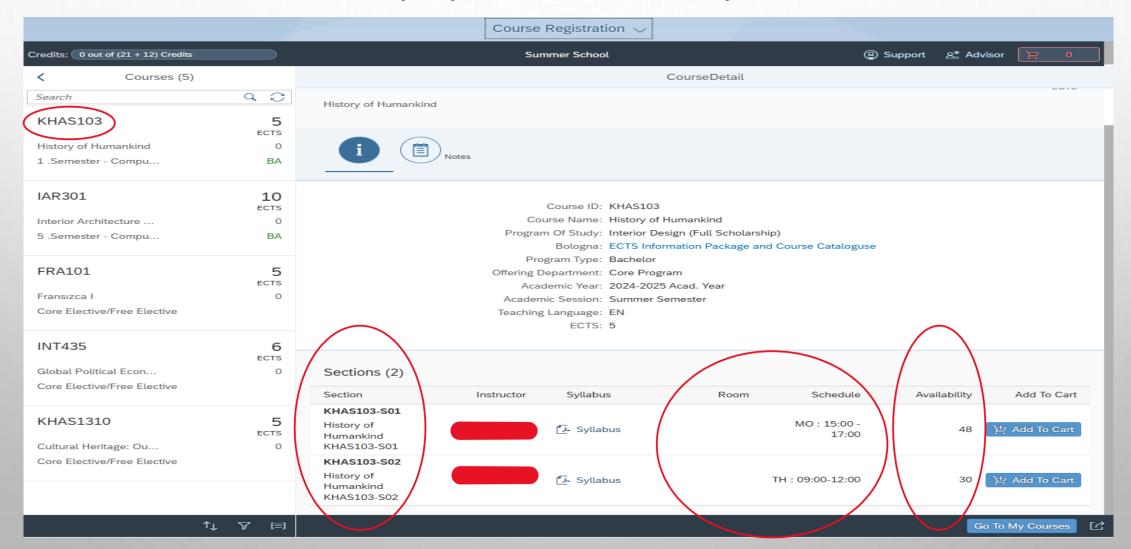

- To easily find courses, you can use the "Search" box at the top of the page.
- To sort or filter courses according to desired criteria, simply use the options at the bottom.

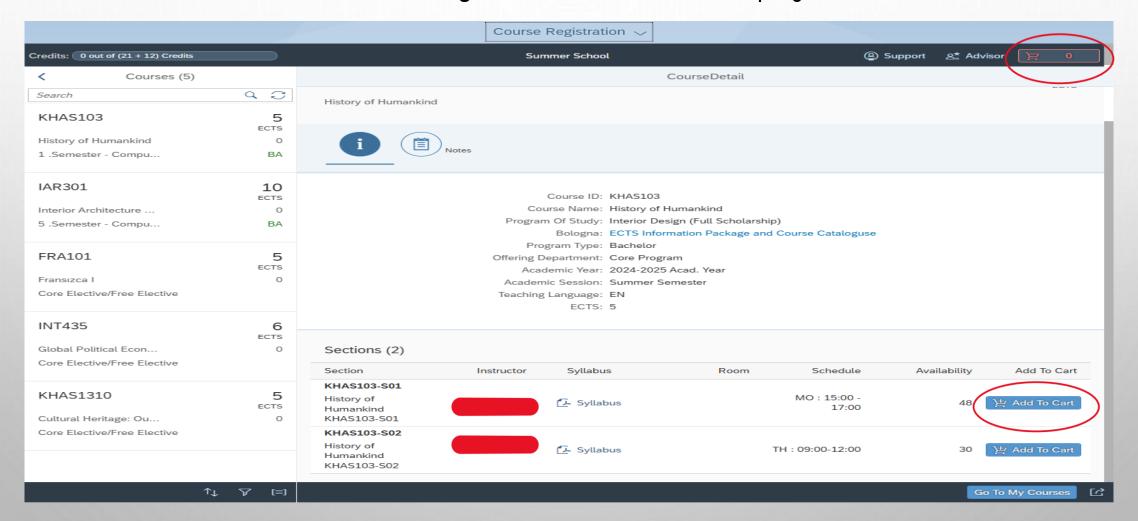

• On the left side, above the listed courses, summary information such as the semester in which the course is offered, whether it is compulsory or elective, the previous letter grade if taken before, and the ECTS credits are displayed.

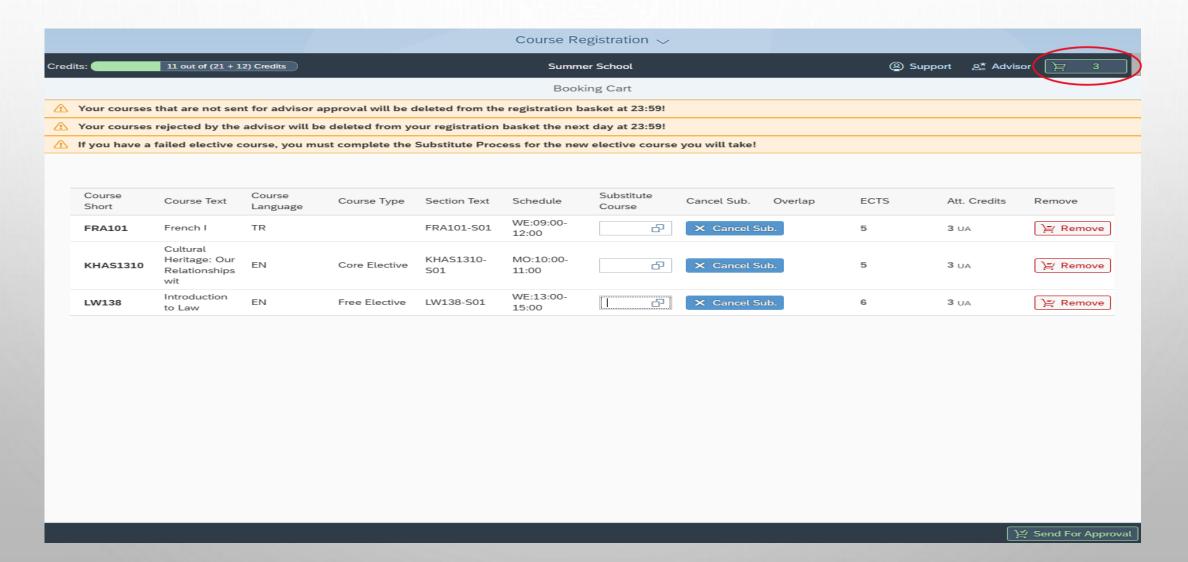

• After clicking on the desired course, detailed information about the course — such as **section**, **classroom**, **course schedule**, **and available capacity** — can be viewed on the right side of the screen.

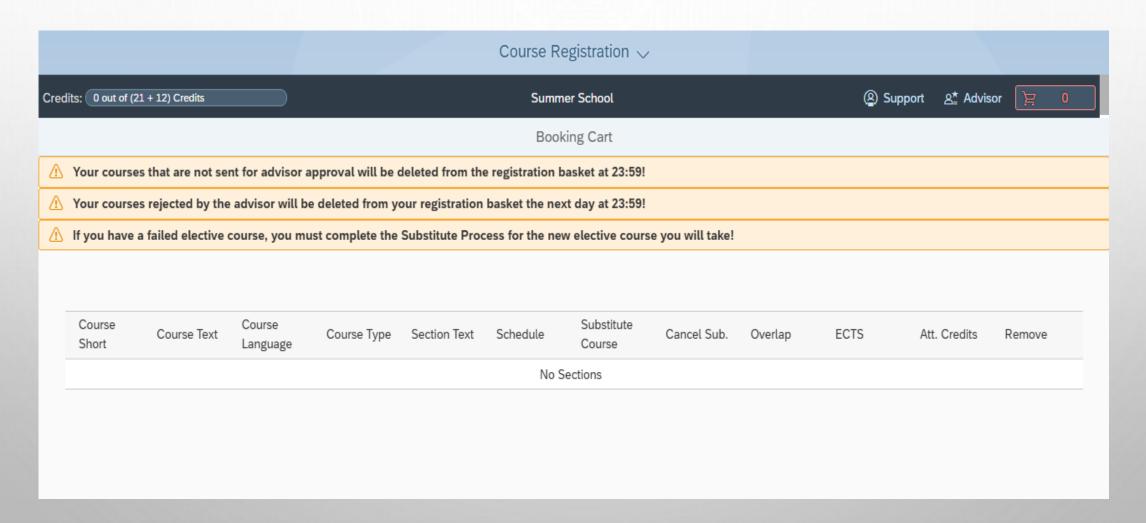

- Select the relevant section and click the Add to Cart button to add the course to your cart.
- The added courses will be listed in the **Registration Cart** section at the top right corner.

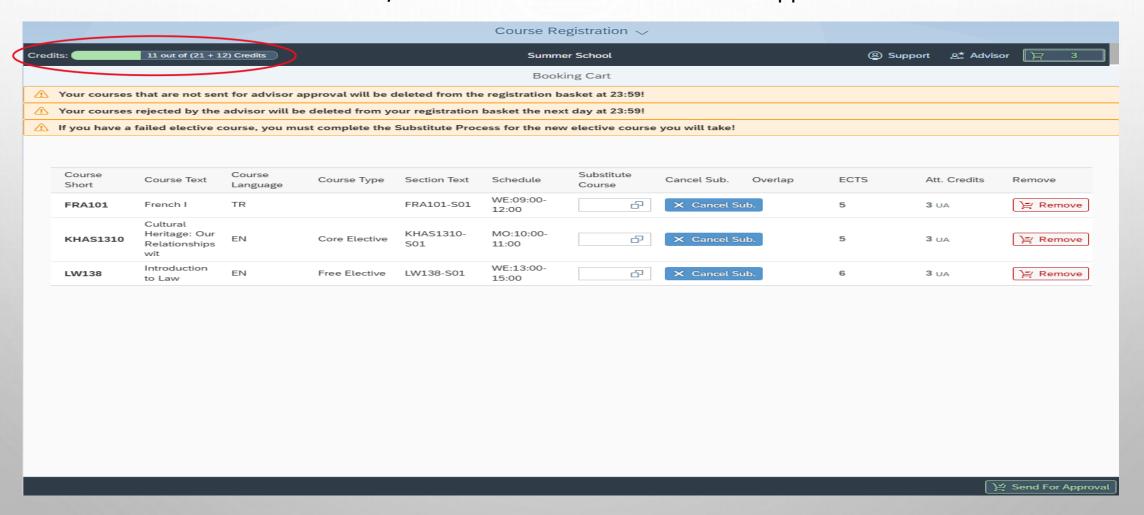

• After courses are added to the cart, they can be viewed by clicking the "Registration Cart" button.

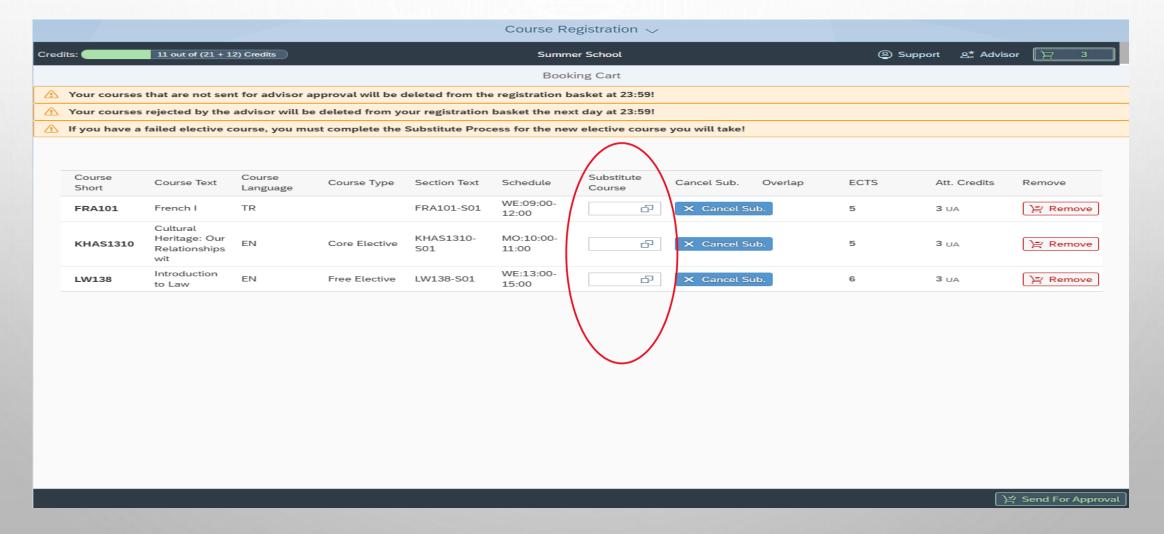

• The information provided to students regarding the registration cart is as follows:

- The **Credit** section at the top left corner of the cart shows the maximum number of credits that can be taken in the relevant semester and is automatically updated based on the cart contents.
- If the total credit limit is exceeded, the courses cannot be sent for advisor approval.

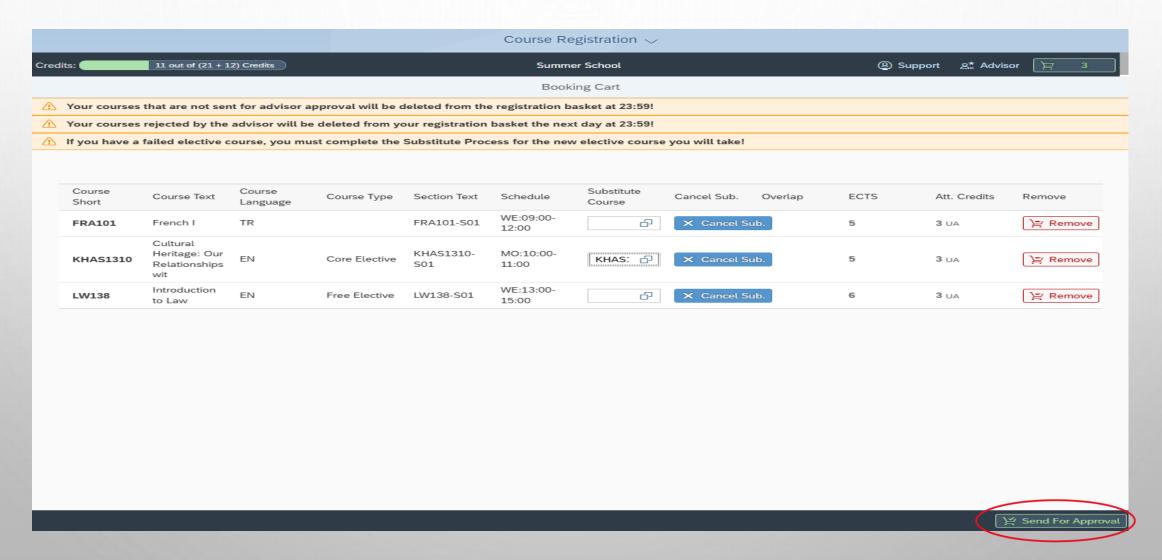

• The "Substitution Course" field is used to match a newly added course with a previously taken elective course. This field becomes active for elective courses in the registration cart.

• When the Substitution Course box is clicked, a list of eligible courses for matching will be displayed.

			Substitute Courses		
Search					Q
Course Short	Course Text	Grade	Category	ECTS	Credits
KHAS1604	Creative Process	CC	Core Elective	5	3 UA

• After all course selections are completed, the courses in the registration cart are sent for advisor approval by clicking the "Send for Approval" button located at the bottom right.

PREBOOKED / BOOKED COURSES

- After the courses are sent for approval, their status can be tracked on the "Prebooked / Booked Courses" screen.
- Once the advisor approval is completed, the system will notify students via email.

THINGS TO KNOW ABOUT COURSE REGISTRATION PROCESS

The course quotas are managed by the Faculty Secreteriat.

Major, Double Major, and Minor course selections are subject to separate approval processes.

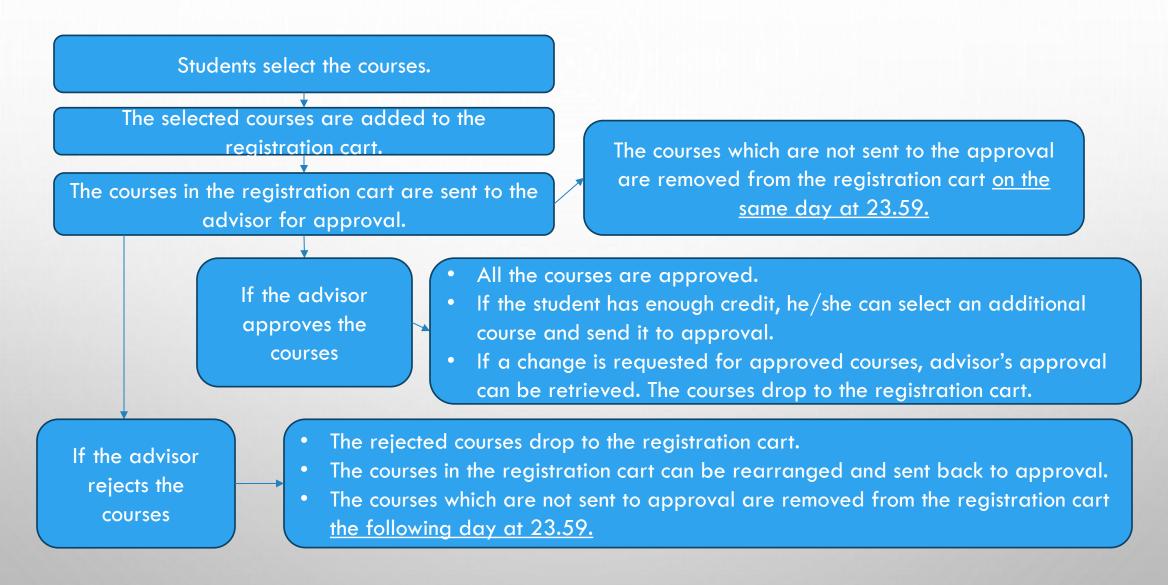

THINGS TO KNOW ABOUT COURSE REGISTRATION PROCESS

Students can add up to 15 courses to the registration cart.

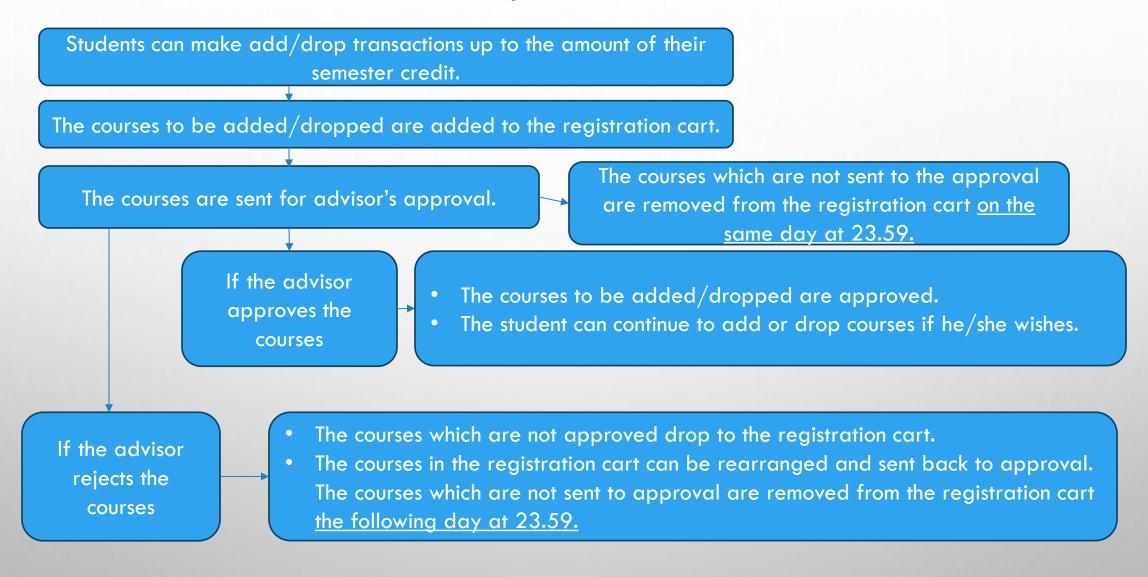

Students can check if the courses added in the cart overlap or not.

For the unsuccessfully completed elective courses, students need to do 'substitution' in the registration cart.

COURSE REGISTRATION PROCESS

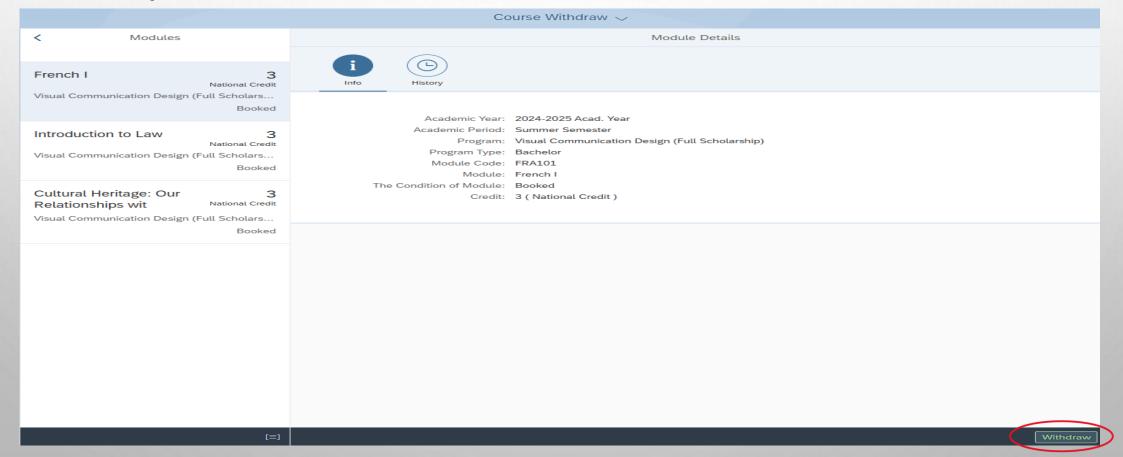

COURSE ADD/DROP PROCESS

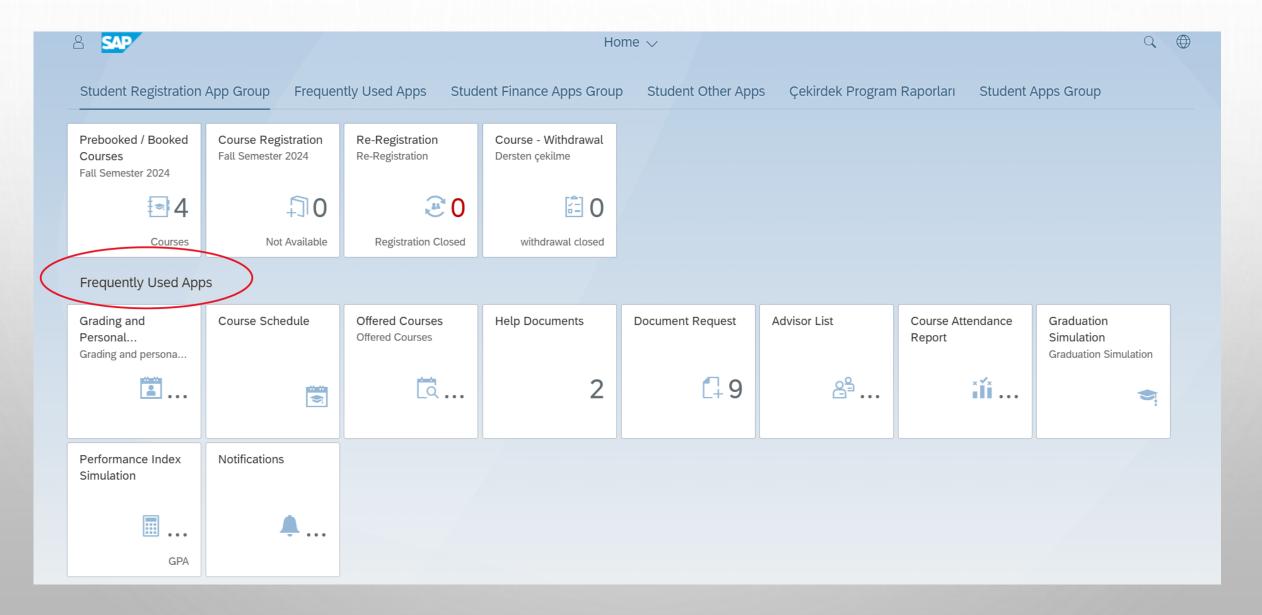

COURSE WITHDRAWAL

- Students may withdraw from only one course from their curriculum per semester, until the final application
 date specified in the academic calendar. The course withdrawal policy can be accessed at:
 https://www.khas.edu.tr/en/course-withdrawal/
- On the **Course Withdrawal** screen, after clicking on the course to be withdrawn from, the withdrawal request is submitted for advisor approval by using the "Withdraw from Course" button located at the bottom right.
