

4.12.2025

Dear Members of the Kadir Has University Family,

I am pleased to inform you that Kadir Has University continues its development with determination, guided by the principles of academic excellence, institutional sustainability, and transparent governance. In this context, I would like to share with you an important leadership change at our University.

Having successfully served as Rector for 8 years, **Prof. Dr. Sondan Durukanoğlu Feyiz** has completed her term of office. I would like to express my sincere appreciation for her valuable contributions and dedicated service to our University.

As of the new term, **Prof. Dr. Ayşe Başar** has been appointed as Rector. I am confident that, with her academic background, administrative experience, and visionary leadership, she will make significant contributions to the achievement of our University's goals.

I view this transition as a natural and healthy part of our institutional development, and I would like to emphasize that we will continue our quality-oriented, participatory, and sustainable management approach with the same determination.

In the new period, under the leadership of **Prof. Dr. Ayşe Başar**, we will proceed with confidence and commitment toward a management approach that further enhances academic quality, strengthens our international presence, expands our research capacity, and reinforces our student-centered perspective. With the contribution of all our members, I firmly believe that we will move forward together and with stronger steps toward our goals.

Sincerely,

Nuri Has

Chairman of the Board of Trustees
